Sanford Lake Association Fireworks Return for 2021 Despite Local Hardships

New Fireworks Location Confirmed

Sanford, MI, June 10, 2021 – A tradition for over 20 years continues! After a year of many challenges, the Sanford Lake Association in conjunction with the Sanford Village and Midland County Parks Division will be setting fire to the sky during its annual fireworks program at the Midland County Park at the south end of Sanford lake.

“While a lot in our lives still remains changed, we will have the Sanford Lake Association July 4th fireworks to rely on this year for a little bit of normalcy,” said Elaine Arnold, Sanford Lake Association, Communication Director. Without a lake for viewing the display in front of the Community of Christ Campground, the launch location has been moved to the **Sanford Lake Park**. Access to the park is free for 2021. Entertainment at Sanford Lake Park will begin on July 4th at 7:00 PM including the Mid-Michigan Drum Circle, guitarist Nicole King of Essexville and vocalist Aria Segura of Midland. The splash park is also open. Prime viewing will be offered at the Sanford Lake Park (beer allowed, no liquor) as well as the Sanford Village Park (no alcohol) south of the dam. The fireworks will be set off from the boat launch area at dark. In the event of rain, the display will be held on July 5th

Annual costs for the fireworks exceed \$10,000 and is mainly funded by local property owners. This year the SLA has been fortunate to attract several foundation and corporate donors to help offset costs. The Kepler Foundation, Spicer Group, and Fisher Construction have generously contributed to this year’s celebration, in addition to community residents’ contributions.
